Subject: Invitation to speak at the United Nations Young Changemakers Conclave Bhopal

Dear Ms. Nanda,

The United Nations Young Changemakers Conclave organized in collaboration with the UN Information Centre for India and Bhutan, is a platform for selected young leaders, entrepreneurs, students and professionals to engage with eminent experts from the field of politics, media, business, governance and the arts. Founded in 2011, over 6000 young Indians have attended from over 18000 applicants. We have had eminent speakers such as **Mr. Piyush Pandey, Chairman Ogilvy, Dr. Raghuram Rajan**, Former Governor, Reserve Bank of India, **Mr Omar Abdullah** (Former CM Jammu & Kashmir) **and Mr. Leander Paes**, world renowned tennis player in our earlier conclaves. For a complete list and more information, please visit [www.youngchangemakersconclave.in](http://www.youngchangemakersconclave.in).

Our theme for the 2018 Conclave is **"Re-imagining Impact: Agenda 2030"** and is scheduled for **Saturday, 20th January 2018** at Jagran Lakecity University. Through this dialogue, we would like to explore how media, innovation & technology can be leveraged to achieve the UN's Sustainable Development Goals which encompass key issues like poverty, hunger, healthcare, malnutrition & climate change. The specific contents of your talk can be discussed with our speaker curation team upon your confirmation.

We will be happy to provide air travel & stay for your journey to Bhopal. The Conclave will be attended by 1000+ young changemakers, entrepreneurs, students & representatives of the media.

You can get in touch with us on [president@youngchangemakersconclave.in](mailto:president@youngchangemakersconclave.in) / call on: (+91-9755166273) for a confirmation or queries.

Look forward to welcoming you in Bhopal.
