

Toppr Technologies raises \$2.2m from Alteria with MNSA, NDA

By Legally India Thursday, 06 December 2018 14:54

Education technology company Toppr Technologies raised Rs 15.5 crore of venture debt from Alteria Capital. Toppr offers learning programs focused on school curriculum and test preparation for major engineering and medical entrance exams in India and was founded in 2013, and is backed by SAIF Partners, Eight Roads and Helion Venture Partners, according to reports.

MNSA Legal advised Toppr Technologies Private Limited led by a team of partner Aniket Gautam and associate Dipi Jethwa.

Nishith Desai Associates represented Alteria Capital, with a team of leader Karan Kalra, and associates Rishabh Sharma and Aditya Desai.

Deal date: 2018-05-10
